Pensacola offers visitors a rich heritage, fresh coastal cuisine, art and culture, unique shopping and many festivals throughout the year celebrating everything from music and food to the arts and Mardi Gras. The National Naval Aviation Museum and Pensacola's Historic District are among visitors' favorite spots.

Pensacola Beach, located on Santa Rosa Island, on one of the longest barrier islands in the world, has an old Florida feel with natural beaches, local hang-outs, first-rate fishing and historic Fort Pickens. In 2008, Pensacola Beach was named among the nation's top 10 beaches by TripAdvisor. In the summer, visitors are entertained with free concerts four nights a week. The biggest event of the year is the Pensacola Beach Air Show featuring the world-famous Blue Angels.
