3. Once application materials have been reviewed by the residency program director, the applicant may be contacted to schedule an interview.

- The interview will include a site visit so the applicant can get a description of current clinics, meet current residents and preceptors and become more familiar with the residency program. This visit will be scheduled to last approximately 4 hours.
- The site visit will include scheduled time where applicants can meet privately with and ask questions of the current residents.
- The interview will include a 20 minute presentation by the applicant. Applicants may choose to use a presentation from their pharmacy experiential rotations.
- Applicants will be asked to grant access to their online portfolio containing examples of their written projects and APPE evaluations for review by the residency program preceptors.
- Unfortunately, we will be unable to grant all applicants an interview. Those candidates who will not be invited for an on-site interview will receive notification in the mail post marked no later than January 18<sup>th</sup>.
