Residency Purpose and Goals

The purpose of this PGY1 pharmacy residency program is to build on Doctor of Pharmacy education and outcomes to develop pharmacist practitioners knowledge, skills, and abilities as defined in the educational competency areas, goals, and objectives. Residents who successfully complete PGY1 residency programs will be skilled in diverse patient care, practice management, leadership, and education, and be prepared to provide patient care, seek board certification in pharmacotherapy (i.e. BCPS), and pursue advanced education and training opportunities including postgraduate year two (PGY2) residencies.
