PGY1 Pharmacy Residency

JOIN US FOR RESIDENCY TRAINING

The Sioux Falls VA Health Care System PGY1 Pharmacy Residency is designed to develop practitioners with a high level of skills required to manage patient care as an integral member of an interprofessional team.

Residents will participate in established disease management clinics including: anticoagulation, diabetes, hypertension, dyslipidemia, heart failure, COPD, tobacco cessation and thyroid disorders. Residents will have learning experiences in the following areas: ambulatory care, internal medicine, infectious disease, mental health/pain, long-term care, pharmacoeconomics, and management. The Sioux Falls VA Health Care System is a teaching institution that allows residents to participate in teaching and precepting on-site. A teaching certificate is offered through South Dakota State University College of Pharmacy.

Applicants interested in applying for the program are required to submit materials to PhORCAS by **January 8, 2017**.
