## Why Choose a VA Residency?

### VA Health Care System

The Department of Veterans Affairs is the largest integrated health care provider in the United States. Through its investments in people, cutting-edge technology and research, VA leads the health care field. With 152 health care facilities throughout the country, VA treats more than half a million veterans on an inpatient basis and manages nearly 40 million outpatients each year

### VA Pharmacy Residency Programs

The VA Pharmacy Residency Program is the largest training program for advanced clinical pharmacy training in the country with an expansive number of both PGY-1 and PGY-2 programs. VA trains approximately **607** residents annually in **236** American Society of Health-System Pharmacists (ASHP) accredited residencies.

### Unique Benefits of a VA Residency

• 12 month (July 1- June 30) outstanding direct patient care experience serving a challenging and rewarding Veteran population
• A stimulating interdisciplinary environment where residents learn to assess and develop patient care plans and support health care services to maximize patient care outcomes
• Research and academic opportunities mentored by experienced pharmacist providers
• Competitive annual stipend
• Authorized absence for approved continuing education, in addition to vacation, national holidays, and sick days
• Health Plans are included

For more information on individual programs please visit the website:
