

● About Us

The Tomah VA Healthcare System provides outstanding health care and trains America's future health care providers.

Health care and services

We provide health care services at five locations in western and central Wisconsin. Facilities include our Tomah VA Medical Center campus and four community-based outpatient clinics in Clark County, La Crosse, Wausau, and Wisconsin Rapids. We also operate a mobile clinic that provides primary care and other services to Veterans who are unable to visit our medical center or one of our clinics.

● Contact Us

Our emails are always open for those who wish to inquire about our program.

Tomah VA Medical Center PGY-1 Pharmacy Residency

● Purpose

The purpose of the Tomah VA PGY1 pharmacy residency program is to build on Doctor of Pharmacy (Pharm.D.) education and outcomes to contribute to the development of clinical pharmacists responsible for medication-related care of patients with a wide range of conditions, eligible for board certification, and eligible for postgraduate year two (PGY2) pharmacy residency training.

● Vision

Our vision is to provide integrated pharmacy services to every patient, every day. Our employees practice in a safe, engaging environment that values teamwork and always places the patient at the center of all we do. Upon completion of the program, the pharmacy resident will be a competent, confident, and supportive Clinical Pharmacy Practitioner with the knowledge, skills, and ability to work in a variety of ambulatory care clinical settings.

● Mission

The mission of the Tomah VA Medical Center PGY1 Pharmacy Residency Program is to assist Veterans through comprehensive medication management services by providing safe, effective, evidenced-based care in a healthy learning environment for patients, staff, and trainees.

Welcome to Your Pharmacy Team!
