- Home Based Primary care (HBPC)
- Process/Quality Improvement Project

Welcome to the Cheyenne VA Health Care System

"I am so proud to have been a Cheyenne VA Pharmacy Resident! Providing care to today's Veteran population has been the most rewarding experience of my professional career. The opportunities available, allowed me to tailor my residency experience to my professional and personal interests and goals which led me into accepting a full time position at the CVAHCS where I get to 'Serve those who served.'"

F. Allen Webb, III, PharmD, BCPS 2015 PGY1 Resident, CHY

Program Overview

The Pharmacy Post Graduate Year 1 (PGY1) Residency Program at the Cheyenne VA Health Care System is an American Society of Health-System Pharmacists (ASHP) accredited program that builds upon the knowledge gained from an accredited professional pharmacy degree. Our site offers a smaller, more intimate setting, a fast-paced clinical learning environment, and the ability to customize your schedule to create an experience that satisfies your personal goals. Reasonable staffing requirements are integrated into the learning environment. More about our program:

- 2 resident positions available
- 8 required **core** rotations
- 2 **elective** rotations, selected from a wide variety
- 5 required **longitudinal** rotations
- 1 required resident project
- Attend ASHP Midyear and Mountain States Residency (or equivalent) Conferences
- Cheyenne is in close proximity to the University of Wyoming School of Pharmacy, offering multiple opportunities for precepting pharmacy students.

With continued and accelerated growth, despite the COVID-19 Pandemic, both our pharmacy services and residency program are continually evaluating areas in which to expand. In addition to the variety of rotations offered, there are telework opportunities to learn virtual clinic management. We are very excited about the opportunities we are able to create for residents, students, and most importantly our Veterans. Our dedicated preceptors are standing by, ready to help you navigate an exciting year!

About our Health Care System

Since 1934, the Cheyenne VA Health Care System has been improving the health of men and women who have so proudly served our nation. We are a 76 bed hospital that services about 68,000 Veterans living in the tristate area of Southeastern WY, Northeastern CO and Southwestern NE. Outreach Medical Clinic available in Loveland, CO and a mobile clinic for surrounding rural areas.
