PHARMACY RESIDENCY SUPPLEMENTAL APPLICATION
Teaching Certificate Program

NAME: _____ **SOCIAL SECURITY #:** _____
LAST FIRST MIDDLE

VAGLAHS is affiliated with the **University of Southern California (USC) School of Pharmacy**. Residents have the **option of a joint appointment** as Adjunct Associate Professor of Pharmacy Practice. Successful completion of this program results in a teaching certificate from the university. As a responsibility of the affiliation, the resident will participate in facilitating second and third year clinical case discussion groups one-half day per week, as well as have opportunities to lecture and develop a clinical case. In addition, participating residents will attend USC-sponsored trainings which include physical assessment, teaching methods, ACLS certification, and research methods. The faculty appointment requires approval by the USC School of Pharmacy, as well as pharmacy licensure in the state of California. Please indicate below if you are interested in being an affiliated resident. If yes, a copy of your application will be forwarded to USC for review.

I am interested in the USC affiliated position YES NO

All required components of the application, including supplemental documents (VAGLAHS Pharmacy Residency Supplemental Application and VA Form OF306) must be submitted using PhORCAST[™] by **December 31, 11:59pm EST**. *Please combine both supplemental documents into 1 PDF prior to uploading. Please also ensure all forms are complete/populated before uploading.* You will be notified of the time and place for a personal interview, should one be offered.

Both our PGY1 and PGY2 residency programs participate in the ASHP Residency Matching Program (RMP). It is recommended that you register with the ASHP Resident Matching Program by the yearly established deadline. Download the Application Agreement from www.natmatch.com/ashprmp.
