

## PGY1 PHARMACY RESIDENCY PROGRAM

The Orlando VA HealthCare System (OVAHCS) ASHP-accredited postgraduate year one (PGY1) program is a 12-month program offering a range of experiences to support resident professional growth and development.

The primary practice site during the residency is the Lake Nona campus. However, residents will have the opportunity to select a Patient Aligned Care Team elective at an OVAHCS Community Based Outpatient Clinic.

OVAHCS residents will have numerous opportunities to be involved in patient care, education, clinical and administrative projects as well as local committees. Residents are required to complete a residency project and present their projects at a professional meeting. Residents are required to submit a manuscript suitable for publication by the end of the residency.
