The Gulf Coast offers visitors a rich heritage, fresh coastal cuisine, art and culture, unique shopping and many festivals throughout the year celebrating everything from music and food to the arts and Mardi Gras. The Blue Wahoos Stadium, the National Naval Aviation Museum and Pensacola's Historic District downtown are among visitors' favorite spots.

Gulf Islands National Seashore, one of the longest barrier islands in the world, has natural beaches, local hang-outs, and first-rate fishing. Historic Fort Pickens is perfect for hiking or taking a ride on the ferry. In July, the biggest event of the year is the Pensacola Beach Air Show featuring the world-famous Blue Angels and the Homecoming Air Show in the fall.

Outdoor enthusiasts can enjoy taking a trip up to Blackwater River State Park, Florida Caverns State Park, or Big Lagoon State Park. Visitors can also enjoy an easy day trip west to Perdido Key, Orange Beach or New Orleans and to the east there is Navarre, Destin, Panama City, and Florida's capital in Tallahassee. JOINT AMBULATORY CARE CENTER

Joint Ambulatory Care Center (JACC) is a multi-specialty clinic within the Gulf Coast Veterans Health Care System which is part of the South Central VA Health Care Network of VISN 16. The JACC is located in Pensacola, Fla., on the west side of the city, adjacent to the Pensacola Naval Hospital. The main hospital is within a two hour drive in Biloxi, Miss. and is a tertiary care teaching hospital providing a full range of patient care services. Additional outlying clinics are located at Mobile Ala., Eglin Air Force Base Fla., and Panama City, Fla.

The JACC offers a variety of outpatient services including:

- Primary Care
- Mental Health
- Neurology
- Orthopedics
- Cardiology
- Pulmonary Medicine
- Rheumatology
- Podiatry
- Urology
- Dermatology
- Hematology/Oncology
- Nuclear Medicine
- Radiology
- Ear/Nose/Throat (ENT)
- Audiology and Speech Pathology
- Ophthalmology/Optometry
- Dental
- Physical Medicine and Rehabilitation
- Ambulatory Surgery

RESIDENCY PROGRAM

The purpose of the Gulf Coast Veterans Health Care System PGY1 pharmacy residency program is to build on Doctor of Pharmacy (Pharm.D.) education to contribute to the development of clinical pharmacy specialists responsible for medication-related care of patients with a wide range of conditions, eligible for board certification, and eligible for postgraduate year two (PGY2) pharmacy residency training. The program prepares pharmacist clinicians for patient care positions in acute care and ambulatory care settings as well as positions in PGY2 residency or fellowship. Residents will be provided the opportunity to accelerate their growth beyond entry-level professional competence in patient-centered care, pharmacy operational services, and to further the development of leadership skills that can be applied to any practice setting.

The residency program at the Pensacola VA Clinic is a 12-month program consisting of longitudinal experiences in Primary Care (Patient Aligned Care Team, PACT), Anticoagulation Clinic, , and Pharmacy Administration. The resident will also rotate through Home-Based Primary Care, Outpatient Pharmacy, and Adult Medicine/ Internal Medicine (Biloxi). Residents help precept on-site pharmacy students and there is also an opportunity to participate in a neighboring college of Pharmacy teaching certificate program.
