PGY1 Pharmacy Residency Ambulatory Care focused

Program Description

This ASHP accredited, PGY1 Ambulatory Care focused program is designed to develop practitioners with high levels of skills required to manage patient care as integral members of interdisciplinary teams. Graduates of this program will be successful in both clinical and academic positions. The resident will gain a well rounded ambulatory care experience through the required and elective rotations. Our facility is unique in that it covers a vast geographical area with a diverse Veteran population.

Service Areas

- ◆ Honolulu: 1 Ambulatory Care Clinic, 60 bed Community Living Center, Posttraumatic Stress Disorder Residential Rehabilitation Program, Inpatient Psychiatry Unit, and Dialysis Unit in neighboring Tripler Army Medical Center
- ◆ 7 Community-Based Outpatient Clinics (West Oahu, Hilo, Kona, Maui, Kauai, American Samoa, Guam)
- ◆ Clinical coverage to Molokai, Lanai, and Saipan
