

We are proud of our tradition: past, present and future

The Captain James A. Lovell Federal Health Care Center supports innovation, empowerment, productivity, accountability and continuous improvement. Working together, we provide a continuum of high-quality health care in a convenient, responsive, caring manner.

Mission

Readying Warriors...Caring for Heroes. Leading the way for federal health care by providing a quality, patient-centered experience and ensuring the highest level of operational medical readiness.

Vision

Creating the model for the future of federal inter-agency health care integration.
