

Reading Warriors and Caring for Heroes!

The Captain James A. Lovell Federal Health Care Center supports innovation, empowerment, productivity, accountability and continuous improvement. Working together, we provide a continuum of high quality health care in a convenient, responsive, and caring manner.

Mission

As the first integrated federal health care facility, we are proud to provide comprehensive, compassionate, patient-centered care to our veterans and DoD beneficiaries while maintaining the highest level of operations readiness.

Vision

Creating the future of federal healthcare through excellence in world-class patient care, customer service, education and research.
