We are proud of our tradition of service, past present and future.
The Captain James A. Lovell Federal Health Care Center supports innovation, empowerment, productivity, accountability and continuous improvement. Working together, we provide a continuum of high quality health care in a convenient, responsive, caring manner.

Mission: Leading the way for federal healthcare by providing a quality, patient-centered experience and ensuring the highest level of operational medical readiness.

Vision: Creating the future of federal healthcare.
PGY-1 Pharmacy Practice Residency

Purpose

• Create learning opportunities in patient care environments utilizing a multidisciplinary approach
• Develop the knowledge base and clinical skills necessary to practice in various patient care settings
• Develop management skills needed to conceptualize, build, and improve clinical pharmacy services
• Strengthen oral and written communication skills when interacting with fellow healthcare providers as well as patients and families as patients and families

Elective Rotations

• Mental health clinic
• Oncology
• Primary Care
• Ambulatory Care Specialties
  - Cardiology, Rheumatology, Pulmonary, Women’s Health, Gastroenterology, Endocrinology
• Pharmaco economics
• Additional disciplines available depending on interests (ex. Infectious Disease, Smoking Cessation)

Longitudinal Experiences

• Inpatient hospital practice including monthly staffing
• Teaching certificate through Rosalind Franklin University
  - Co-precepting pharmacy students
  - Providing lectures, topic discussions and workshops
  - Attending faculty lecture series
• Developing & conducting year-long research project
• Quarterly projects including a newsletter, journal clubs, and drug-information questions
• Pharmacy benefits management via P&T committee, non-formulary consult evaluation
• Medication management of long term care residents & home-based primary care patients

Additional Information

• Computerized medical records & physician order entry
• Unique patient population: active duty military members, military dependents, and veterans
• Opportunity to work with PGY-2 psychiatric pharmacy residents with an option for early commitment
• Located near public transportation with easy access to downtown Chicago and minutes from Lake Michigan
