

Rural Health VA Maine

VA Maine Healthcare System is comprised of Togus Medical Center in Augusta, 8 Community Based Outpatient Clinics (CBOCs) and 3 Access Point Clinics located throughout the state.

Of the nearly 40,000 veterans served by VA Maine, 82% are classified rural or highly rural.

The Bangor CBOC serves over 7,000 Veterans and offers a wide range of services including primary care, mental health, cardiology, dermatology, dental, optometry, audiology, lab, radiology, physical therapy, and clinical pharmacy. Bangor clinical pharmacists are integrated members of the Patient Aligned Care Team (PACT) and provide services to the Bangor and Lincoln CBOCs.
