The Salisbury VAHCS includes the level 1c W.G. (Bill) Hefner VA Medical Center in Salisbury, NC, as well as outpatient Health Care Centers in Kernersville, NC, and Charlotte, NC, and a Community Based Outpatient Clinic in Charlotte, NC.

The health care system provides medical, surgical, psychiatric, oncology, and ambulatory care services to over 92,000 Veterans in the central Piedmont service area.

Salisbury VAHCS has clinical pharmacy practitioners with prescribing privileges in primary care, long-term care, home-based primary care, mental health, infectious diseases, hematology/oncology, and acute care. The medical center also has an in-house Community Living Center providing long-term and hospice care for Veterans.

There are five PGY1 pharmacy residents and one PGY2 psychiatry pharmacy resident. The facility also serves as a training site for students and residents in multiple other disciplines.
