Program Description & Goals

The Fargo VA HCS has 132 inpatient/transitional care beds, including a 10 bed state-of-the-art inpatient mental health unit. It serves 10 Community Based Outpatient Clinics, located within ND and MN, to serve the medical needs of our Veterans.

This program offers the resident opportunities to extensively practice in both ambulatory and acute care settings. The program is organized and directs opportunity to develop knowledge, skills, and philosophy of pharmacy practice. This program is designed to develop outstanding Clinical Pharmacy Specialists with advanced knowledge & Skills.

Residents will also complete a research project throughout the year; the VA is known for their strength in research and publications.
