ALLOW US TO HELP YOU PAVE YOUR PATH TO SUCCESS.

The Fargo VA HCS has 80 inpatient/transitional care beds, including a 10 bed state-of-the-art inpatient mental health unit. To serve the medical needs of our Veterans, we also offer services at 10 Community Based Outpatient Clinics located throughout North Dakota and Minnesota.

This program offers the resident opportunities to extensively practice in both ambulatory and acute care settings. The program is organized and directs opportunity to develop knowledge, skills, and philosophy of pharmacy practice.

Residents will complete a research project throughout the year; the VA is known for their strength in research and publications.
