Residency Purpose
PGY1 residency programs build upon Doctor of Pharmacy (PharmD) education and outcomes to develop pharmacist practitioners with knowledge, skills, and abilities as defined in the educational competency areas, goals, and objectives. Residents who successfully complete PGY1 residency programs will be skilled in diverse patient care, practice management, leadership, and education, and be prepared to provide patient care, seek board certification in pharmacotherapy (i.e., BCPS), and pursue advanced education and training opportunities including postgraduate year two (PGY2) residencies.

ASHP Match Code: 171713
Number of Positions: 2
Submit all application materials via PhORCAS

Application Deadline: January 8
Starting Date: July 1

***Orientation may be the last part of June for the Medical Center***
