

EUGENE VA HEALTH CARE CENTER

PGY-2 AMBULATORY CARE PHARMACY RESIDENCY

The Roseburg VA Medical Center and its 3 satellite clinics in Eugene, North Bend, and Brookings serve over 27,000 Veterans throughout Central and Southern Oregon & Northern California.

The newly built Eugene VA Health Care Center (HCC) is located in beautiful Eugene, Oregon, which is home to the University of Oregon and is situated along the Willamette & McKenzie Rivers. Outpatient primary care, day surgery, laboratory, radiology, and pharmacy services are available at the HCC.

ABOUT OUR PROGRAM

We accept one resident each year for a 12-month ASHP accredited program, which begins in early July. The resident will work directly with pharmacists who have scopes of practice, prescriptive authority, and manage patients with multiple disease states. Throughout the residency year, the resident will partake in longitudinal clinical experiences. Application materials must be submitted through PhORCAS and a four-hour, onsite interview is required. Our interviews include a group interview with preceptors along with a tour of the site.

LONGITUDINAL EXPERIENCES

Patient Aligned Care Team Pharmacy Clinic	Pharmacy-managed clinic for Veterans with chronic disease states, such as diabetes, hypertension, dyslipidemia, congestive heart failure, COPD, and pain management
Anticoagulation Clinic	Telephone-based anticoagulation monitoring with face to face appointments for initiation of anticoagulation
Tobacco Cessation Clinic	Telephone-based tobacco cessation appointments with opportunity to precept PGY-1 residents depending on PGY-2 resident's comfort level and career goals
Academic Detailing	Work with VISN Academic Detailers once weekly to help improve prescribing practices of primary care providers
Mental Health	Work with a mental health pharmacist to manage Veterans with disease states such as schizophrenia, depression, substance abuse, and anxiety
Pharmacy Administration	Work with clinical pharmacy supervisor, chief of pharmacy, and facility administration to learn the behind the scenes operations of running a clinic

OTHER CORE EXPERIENCES

- Residency project
- Service enhancement project
- Formulary and drug information management
- Teaching, precepting, and presentations

ELECTIVE ROTATIONS

- Home-based Primary Care
- Hepatitis C and HIV PrEP Clinic
- Epoetin Clinic
- Potential for additional opportunities based on residents' interests

Eugene is located in the Willamette Valley with hiking trails, lakes, waterfalls, the scenic Oregon coast, and the Willamette and Deschutes National Forests all within easy driving distance. Eugene is one of the largest cities in Oregon and is located approximately 2 hours south of Portland. It is known as 'Track Town, USA' for hosting Olympic Trials, NCAA championships, numerous professional, international, and collegiate meets, and several marathons, as well as boasting a strong community of runners and supporters.
