Two Campuses

Alvin C. York Campus Murfreesboro, Tennessee

Located 30 miles southeast from Nashville, the Alvin C. York Campus serves as the chief mental health facility for TVHS. In addition, the campus provides primary care, acute medical service, surgical/intensive care, long term care rehabilitation, and nursing home care. The campus serves as a VISN 9 resource for long-term care of psychiatric patients and a network referral center of psychiatry.

Specifics:

- 347 authorized beds
- 60 acute inpatient psychiatric beds
- 34 residential rehabilitation program beds
- Specialized psychiatric and long-term care facility
- Over 300 acres of dedicated land

One Goal

Nashville Campus Nashville, Tennessee

The Nashville VA Medical Center is located in the heart of the midtown medical center, between the campus of Vanderbilt University and the Vanderbilt University Medical Center. The Nashville campus provides acute medical service, surgical/intensive care, solid organ/bone marrow transplant, and primary care. The Nashville campus also supports a vigorous research program of over \$26 million annually.

Specifics:

- 238 authorized beds
- 16 acute inpatient psychiatric beds
- Specialized programs including: Neurology, Geriatric Research Education Clinical Center (GRECC), and Post-Traumatic Stress Disorder

Veteran Care

About Our Program

The PGY2 Psychiatric Pharmacy Residency will prepare each resident to enter a clinical practice setting in psychiatric pharmacy as an integral member of the interprofessional healthcare team. Upon completion, the resident will be prepared for a clinical pharmacy specialist (CPS) position in mental health and/or academia in either the outpatient or inpatient setting.
