PGY1 Pharmacy Residency Program

EL PASO VA HEALTH CARE SYSTEM

RESIDENCY GOALS:

The 12-month PGY1 Pharmacy Residency Program is designed to provide the resident with the knowledge, expertise, skills and abilities required in ambulatory care pharmacy practice. In addition, the program is meant to provide the resident with a concentrated clinical experience along with exposure to all available aspects of administrative pharmacy practice. The ultimate goal of the program is to enhance the resident's competence and skills as a productive member of the health care team and to obtain an in-depth working knowledge of all other areas of clinical and administrative pharmaceutical practice. Quality improvement projects and continuing educational activities are included in the residency.
