Over 550,000 residents call the city of Spokane and the surrounding metropolitan area home. Located in the heart of the Inland Northwest, Spokane serves as the shopping, entertainment, and medical hub for an area that includes Eastern Washington, North Idaho, and Eastern Montana.

We are an outdoor-lover’s paradise, with downhill and cross-country skiing, white-water rafting, camping areas, hiking trails, numerous lakes, challenging golf courses and the Centennial Trail all in our backyard. We are home to the largest timed road race in the nation—Bloomsday—and the largest 3-on-3 street basketball tournament—Hoopfest.

Home to Gonzaga University, Whitworth University, and the Washington State University Health Sciences Campus, Spokane is the ideal location to grow both personally and professionally.

Mann-Grandstaff Veterans Affairs Medical Center
Pharmacy Service
The Mann-Grandstaff VA Medical Center and Washington State University are excited to offer a postgraduate year 1 (PGY-1) pharmacy residency program, in ASHP accredited status. Per the standards set forth by ASHP, residents will participate in structured learning experiences focused on the core functions of our pharmacy service to achieve challenging goals and objectives. Residents will have unique opportunities to provide direct patient care in the primary care setting, obtain a teaching certificate in coordination with the WSU College of Pharmacy, and participate with our Home Based Primary Care (HBPC) team.

**Qualifications of the Applicant:**

The Applicant must be a graduate of a school of pharmacy accredited by the American Council on Pharmaceutical Education (ACPE), be a U.S. citizen, possess the Doctor of Pharmacy degree, and be licensed in at least one state, the District of Columbia, or territory of the United States. The applicant must have graduated with a minimum 3.0 GPA, or have completed a minimum 3 years experience in pharmacy practice.

The applicant must demonstrate excellence throughout their academic or professional career, with a desire to succeed in a challenging and innovative pharmacy practice environment. The applicant must possess excellent communication skills, aptitude for leadership, and strong work ethic. The applicant must be dependable, reliable, and able to adapt to different work environments with both pharmacy and other healthcare providers.

These qualities will be judged through interviews, reference follow-up, pharmacy school transcripts, and letters of recommendation as provided through the application process.

**Selection of the Applicant:**

Selection of the applicants for the PGY-1 positions will be made by the pharmacy residency selection committee at the Mann-Grandstaff VA Medical Center with direct oversight from the Chief of Pharmacy Services and the Residency Program Director.

Interested applicants must participate in the ASHP Residency Matching Program (The Match) and the Pharmacy Online Residency Centralized Application Service (PhORCAS).

**Important Dates:**

- **November 2017:** Applicant portal opens and applicants can apply to the ASHP Resident Matching Program through PhORCAS. Program selection portal opens and applicants can see all participating programs in PhORCAS. Residency program directors will receive user name and password to sign into their own selection portal from PhORCAS.
- **January 1, 2018:** Applicants must apply to the program prior to this date.
- **March 7, 2018:** All application requirements, including interviews, must be completed—rank order list must be submitted.
