Pharmacy Residency Programs

The Clement J. Zablocki Veterans Affairs Medical Center (ZVAMC) is a tertiary care medical center located only 5 miles west of downtown Milwaukee. The Milwaukee VA is part of VA Integrated Services Network 12 (VISN 12), which also includes facilities in Iron Mountain, Michigan; Tomah and Madison, Wisconsin, and Danville, North Chicago, Hines, and Chicago, Illinois. The Medical Center delivers primary, secondary, and tertiary medical care and provides over 723,000 visits annually through an extensive outpatient program. Average daily census is comprised of 196 acute care beds in addition to 113 extended care beds and 189 domiciliary beds on-site. The Milwaukee VA also has community based outpatient clinics (CBOC) in Appleton, Cleveland, Green Bay and Union Grove, Wisconsin. These programs serve a Veteran population of over 250,000 in southeastern and east central Wisconsin.

What makes the Milwaukee VA such a great place to complete your residency?

- Flexibility and variety of rotations
- Good balance of inpatient and outpatient experiences
- State of the art technology
- Teaching hospital (affiliation with Medical College of Wisconsin)
- Affiliations with several colleges of pharmacy
- Teaching certificate programs available (University of Wisconsin - Madison or Concordia University of Wisconsin)
- Well established program with experienced preceptors
- Prescriptive authority
- Staffing with compensation
