Information About the Program:

- The VALOR Program is designed to give excellent learning experiences to academically-successful students.
- The program is designed to give students a broad view of the roles of pharmacists within the largest healthcare system in the nation.
- Students in the program are hired on a full-time or part-time basis during the summer months with the possibility of part-time employment during their final academic year (up to 800 hours total).
- Contact Dr. LaVigne no later than 3/11/16 to be considered for this year.

Eligibility Requirements:

- Completion of P2 year from an accredited Doctor of Pharmacy program by the time the VALOR program would be started
- Minimum cumulative grade point average of 3.0 on a 4.0 scale
- Ability to complete 400 hours as a pharmacy VALOR student
- United States citizenship
- Successful completion of a physical examination
