Why Participate?

VALOR interns gain competency in many areas of pharmacy. They have the chance to:

1. Identify various roles of pharmacists in the VA healthcare system
2. Interact with other healthcare providers
3. Experience a wide variety of potential roles for pharmacists
4. Apply the process for gathering data from patients and medical charts to formulate solutions to therapeutic problems
5. Appropriately document patient care activities
6. Apply clinical knowledge learned in the classroom to clinical practice situations.

Attention Pharmacy Students!

Looking for an exciting opportunity to explore a variety of career opportunities in pharmacy?

The VALOR program offers participants the chance to gain experience in and explore all areas of VA pharmacy practice. Pharmacists in the VA are actively involved in a wide range of patient care activities, including inpatient, outpatient, and ambulatory care services. Experience being on the cutting-edge of pharmacy practice!

Pharmacy Student Summer Internship
What is the VALOR Program?

The pharmacy VALOR program at the Miami VA Medical Center is a paid summer internship that provides opportunities for outstanding pharmacy students to develop clinical pharmacy practice skills while working at a VA healthcare facility.

Students spend a total of 400 hours working with pharmacy residents and pharmacists in a variety of pharmacy practice settings:

**Outpatient Pharmacy:** Students will develop skills in prescription review and dispensing, medication counseling, staff education, and medication distribution systems.

**Ambulatory Care:** Students will shadow pharmacy residents and interview patients in a variety of disease-state management clinics such as anticoagulation, geriatrics, hypertension, diabetes, and many more.

**Formulary Management/Administration:** Students will work on formulary and administrative projects relevant to patient care at the VA.
